The President's Report

Thankyou once again for electing me as your President for 2018/19. I would like to thank those who attended the AGM and welcome both the new and returning Committee members.

I must make special mention of Danny Toplis who, due to medical problems, was unable to join the Committee this year.

Danny has been a Committee member since the inaugural Association meeting in 1986 and has been instrumental in preserving the history of the Regiment through his research and in the keeping and preserving of Regimental records.

On behalf of all members I thank Danny for his long commitment, dedication and service to the Association over 32 years. His contribution will be missed and we wish him well for the future.

We are continuing to work on a new and improved website, a project being led by Bob Waller, which should make information, photos and other articles more accessible and user friendly. For those who are on-line, don't forget the Association Facebook page as a way to keep in touch with old comrades.

The 2017 Annual Reunion and 31st Anniversary of the Association was held on 17 November at Chatswood RSL, with MAJ Stuart Seabrook (former 7th Field Regiment Operations Officer, then posted to Headquarters 2nd Division) as speaker and attended by 37 members and guests.

On Sunday, 15th April, the (now) traditional ANZAC Day lunch was enjoyed by 22 members at Chatswood RSL. Anyone who wishes to catch up with old friends in a more informal and less hectic setting is invited to come along to the lunch next year.

ANZAC Day itself continues to enjoy a large turnout from past and serving members, with 40 of us marching behind the banner this year and the ANZAC Day Gunner reunion at the City Tattersalls Club continues to impress as a venue.

The 'final' RFD Parade was held on Sunday, 1st July, 2018. Thanks to our ASM, Andrew McCallum and Standard Bearer, Jack Gwilym for their support over the years.

I would like to acknowledge the support provided by members of 201 Cadet Unit and the Air league Cadets for again carrying our banners on ANZAC Day and the RFD Parade respectively.

2018 was also a remarkable year for Reserve Gunners. We have come full circle from 7th Field Regiment RAA, to 7 Light Battery RAA, 2/17 Battalion and now, with the raising of 9th Regiment RAA, "7" will live on and gunners will once again be commanded by gunners. The raising of the new Regiment was marked by an establishment parade at Victoria Barracks on Saturday, 14th April, 2018 and attended by eight members. The parade was a huge success, ably supported by gunners from the battery.

Congratulations must go to MAJ Marcus Jones as the first Battery Commander of 7 Light Bty, 9th Regiment. Previously, MAJ Jones served with 28 Field Battery, 7th Field Regiment, as Gun Position Officer, Forward Observer and Battery Captain. He was also the Battery Captain of 7 Light Battery RAA, 2/17 Battalion so he has the distinction of carrying the 7th Field Regiment lineage throughout the transition.

Congratulations to GNR Matthew HANSEN from 113 Troop, Adamstown who was the winner of the 2017 Soldiers Award, with LBDR Adrian ORELLANA from 28 Troop, Dee Why as the runner up. Well done to both.

Finally, can I encourage you all to attend the Annual Reunion on Friday, 23rd November 2018, to hear a presentation from the inaugural Commanding Officer, LTCOL Searle. I hope to meet you all there.

UBIQUE

FROM THE CO's DESK

On 11th of January 2018, the 9th Regiment, Royal Australian Artillery was raised, signifying the return of the Army Reserve's Light Artillery Batteries to the command of the RAA. Under the direct command of Headquarters 2nd Division, and back in the RAA fold, the Light Batteries will maintain direction to fulfil their commitments to the Force Generation Cycle and provision of individual round-out and reinforcement to ARA RAA Regiments. A challenging period ahead presents over the next 24 months, as the Regiment will direct modernisation of the Batteries through organisational and cultural change as well as upgraded equipment, facilities and organisational structure. Equipment upgrades will include the introduction of digitisation to the mortar weapon system and introduction into the 2nd Division of a small and tactical unmanned aerial systems (SUAS/TUAS) capability within the forward observer teams. Vehicle upgrades will see an end to the Rover and Unimog fleet as the Mercedes G-Wagon and Bushmaster PMV replace the outdated green fleet.

Consistent with Army's Force Generation Cycle, 7 (and 23) BTY transitioned from the 'READYING' phase to 'READY' in June 2018. This marked the end of a yearlong high tempo period of exercises aimed at force generating a composite Light Battery for the co-ordination of joint fires and effects in support of Battle Group (BG) Waratah. The focus for the 'READY' year shifts back to maintenance of individual readiness in order to meet operational requirements.

In addition during 2018, 7 Battery (supported by 23 Battery) continued to support the Regiment through participation in:

- M2A2 Gun Salute Course (Kogarah Barracks in January)
- Australia Day Gun Salute (Bradfield Park in January)
- Officer Cadet Training Block 5 (RMC-D in Jan-Feb)
- Mortar Conversion Course (Singleton in March)
- EX Telopea Run (10 days in March)
- 9 REGT RAA Raising of the Flag Ceremony (Victoria Barracks in April)
- ANZAC Day ceremonial duties (Manly and Pittwater in April)
- EX Silicon Diamond (BG Waratah CPX in Brisbane in May)

- BG Waratah LFX
(5 day live fire EX in Shoalwater Bay in May)
- Queen's Birthday Gun Salute
(Mrs Macquarie's Chair in June)
- EX Hamel (Ready Brigade 17 day exercise
in Shoalwater Bay in June)
- Technical FTX weekend
(Dee Why Depot in August)
- Tactical FTX weekend
(Singleton Range in August)
- Battery Live Fire weekend
(Singleton Range in September)

In preparation for its modernisation, 7 Battery needs to undertake individual skills based training to meet the requirements for the operation of the new equipment. LT Alex Hanley and BDR Peter Fridolfsson of 7 Battery are undertaking CFTS contracts to 20 Regt (STA) to support the training of the SUAS/TUAS during its introduction across the wider Regiment. Driver conversion courses and mortar conversion courses are also a priority for the Battery to field this equipment effectively as it becomes available.

In line with this, the wider RAA is going through a broad employment category review over the next 24-36 months. 9 Regt intends to take this opportunity to re-align the Army Reserve's Light Artillery Employment Categories with its ARA counterparts. This will facilitate cross training with ARA line Regiments and ARes attendance on SOArty course continuums, as well as optimised integration of ARes personnel in the provision of individual round-out and reinforcement to the ARA.

7 Battery remains committed to its future within 9 Regt RAA, whilst being cognisant of its heritage. Members of 7 Battery have enjoyed the support of the 7 Field Regiment Association and its sponsorship of the Gunner of the Year award. The BC of 7 Battery has indicated that he is also committing to strengthening the Battery's ties with the historical associations and hopes to foster more co-operation in the future through liaison, recruiting and involvement in social events.

MONASH WESTERN FRONT TOUR SEPT/OCT 2018

Five Association members have just completed a tour of the Western Front, France. The tour was conducted by Battlefield History Tours, with COL Graham Fleeton and LTCOL Ron Lyons as the Tour Guides.

The tour followed the victories of the AIF, commanded by LTGEN John Monash on the Somme in 1918, which helped bring WW1 to an end.

The group visited Fromelles, Ieper (formerly Ypres), Hill 60, Polygon Wood, Dernacourt, Pozieres, Amiens, Perrone, Mont St Quentin, Montbrehain (and many more) plus around 15 Cemeteries operated by the Commonwealth War Graves Commission.

Brian Lewis, Jim Nash, Jack Gwilym, Andrew McCallum & John Balfour at Bullecourt

The “Combined RSL NSW Centenary of ANZAC Pipes and Drums” accompanied the Tour Group for most of the trip.

Particular emphasis was placed on Villers Bretonneux where 7th FAB fired on the Germans in the latter part of 1918 and the new Sir John Monash Centre has recently opened.

The first highlight of the tour was at The Menin Gate in Ieper, Belgium when Jim & John were invited (with 20 minutes notice) to lay a wreath at the Last Post Ceremony.

MENIN GATE LAST POST CEREMONY

The second highlight was at Villers Bretonneux with the presentation of a plaque to the Director of the Museum above the school (L'Ecole Victoria). A similar plaque was presented by Association members in April 1990.

Villers Bretonneux parade & presentation

The next highlight was at Peronne where, during a Centenary Civic Ceremony, the Mayor of Peronne made a special presentation of a 'kangaroo' to Jack for his 83rd birthday.

The final highlight was at Montbrehain where we all participated in three separate marches / ceremonies conducted in conjunction with the Australian Ambassador and the Military Attache' to celebrate the liberation of Montbrehain by 6th Brigade, 2nd Division on 5 October 1918.
