

7. FD REGT RAA

WEARING OF UNIFORM

Reference: Dress Manual 1963.

Appearance and Turnout

1. Officers and soldiers are to be correctly dressed and well turned out. A smart and soldierly turn out fosters good morale and favourably affects public opinion.

In particular each individual is to ensure that uniforms are kept neat, clean and well pressed, that all footwear is in good repair and polished.

Officers, WO and NCOs are responsible for checking the dress of members junior to them and ensuring that any tendency towards carelessness or slovenly appearance is corrected at once.

Wearing of Head Dress

2. Officers and soldiers in uniform are always to wear head dress when out of doors. Within this depot the main drill hall and gun park are considered to be out of doors.
