The rags reporter advises 113 have a good chance of winning this much sought after trophy, and no they are not calling up a couple of the boys on the inactive list, they reckon they don't need them.

PS I 'll put my money on the bloke who brought the biggest bty footy last yr( XXL). The editor is not liable to any law suit raised by members currently serving in UN Coy.

## A few words from APN 121262

This year has been a busy one with the OP Gold training, helping out 23 Fd to put rounds down range and the increased Recruiting activities.

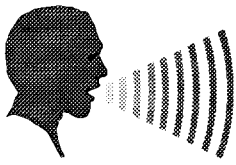

On recruiting, we need to get out and about and increase the Batteries no's, both at Erina and Adamstown if we are to survive in future years, I'm sure the Battery would love to see 6 guns in a parade to commemorate 150 yrs as a Battery( I make it 2006) so give the Burglar (don't ask but that's his ICQ nickname) Sgt Fairbairn your support and ideas on places the bty should be recruiting at. The SMIG is trying to organise a Gun race at Marathon , um we would look alright in our Bty footy jumpers, wouldn't we (that's if you have got one)

LBDR Feral has volunteered to look after the BSM's Garden, near the transport office, which when established will be named the Bung and Muvva Gardens, named after the 2 former BSM's of 113 who have passed away whilst still serving in the Regiment, yes Mick Banham was BSM during an AFX a few years ago. All I can say is make sure your uniforms are up to scratch or I can guarantee you'll get a start in Filthies backyard,( I said **yard** BK)

Ensure you have got the new phone no's for the Bty offices.

## Rumour Control

Gnr Bargearse is soon to be promoted  
The Old BSM is coming back next year ( that will make a few people happy, I hope!)

### Upcoming events

Your nominated OP Gold trng weekends

Small Arms etc 2-4 Jun

Gunner Dinner 19 August

Plus your usual Tues nights

Just remember if you can't make it put in a leave app.

### Battery Funds

Don't forget to get your Bty shirt prior the Jun Training weekend cost is only a \$11, be part of the bty and not a tight arse, \$11 ain't going to make you or break you.

Place your name up on the notice board list for the Bty Triceratops plaque cost will be around the \$30 mark

Bty Footy jumpers see Sgt Fairbairn who will take your name, size and nickname for the back, if wanted, costs will be around the \$75-80, yes GST less if no nickname, or you can buy the Dino and Arty Badges for \$10 each and get your own jumper, just get your names in ASAP, we need to get a minimum of 15 names for them to do a run of the long sleeves or you can get a ¾ sleeve off the shelf. If we organise a Gun Race at Marathon we will wear our Bty Jumpers, so if you have one you get a run, even Boof who can peel the oranges. So if you are keen get your doe in straight away once **we ask for it**, not like last time.

What's happening for the Bty Chrissie party , lets get organised this year and do something, not like last year where we let ourselves down.

### Next issue

Facts on the Victoria Cross  
Article on G6 155 mm Gun

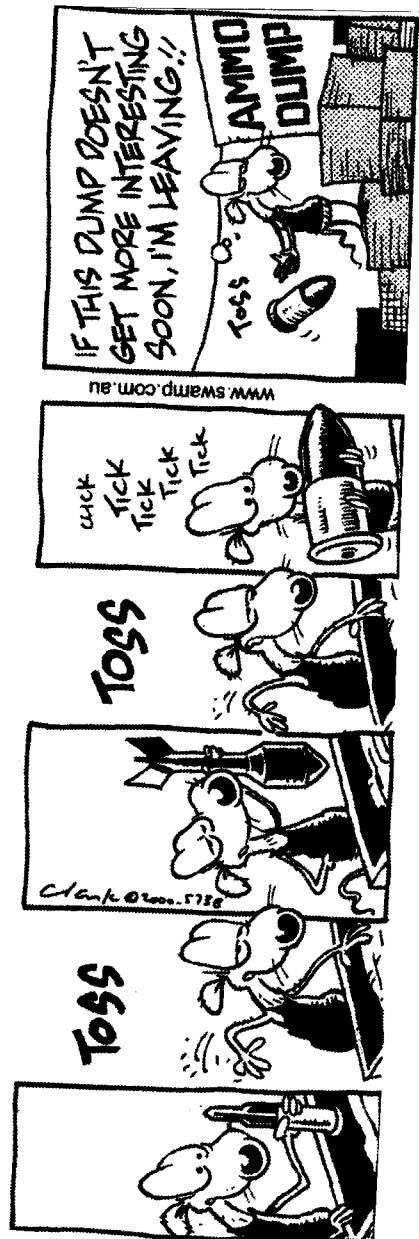

So get your articles in ASAP, so the Ed can get things organised, anything will do, so keep an eye out and note down those little things that happen around the bty that **everyone should know about it**.

CAMPAIGN

**If you are a social retard, like wearing cargo pants, and have a fetish for guns, then we want you.**

There are not many jobs out there that reward people for violence, but this one does.

The food is bad, the equipment is old, and the training systems outdated - but it all leads in to the opportunity to run through the bush and fire your automatic rifle at imaginary bad guys.

And if you get promoted, you will also have the opportunity to shout at people - in fact, lots of opportunities to shout at people.

It's more than a job - it's a fantasy.

So, if you're salivating at the thought of it all, wipe your mouth with your good arm and call the Army now.

**6 ½ weeks now - or 3 weeks now, 3 weeks later.**

To join our team, you'll have to suppress your homicidal tendencies long enough to fool our psychologists. Then it's off to Kapooka for 6 ½ weeks of being stuffed around, to really get you angry and frustrated. Or if your doctor won't allow you to take the full 6 ½ weeks off without medication, you can do three weeks now, and three weeks later.

Once you pass the course, we'll send you to some base in the country as far away from your hometown as possible, degrade your health, cause your divorce, then get rid of you when you develop stress fractures from carrying around a pack with 10 tons of bricks in it.

## Mr Methane Lets Rip!

(Festival) \$19.95

■ HOW far is it possible to stretch one joke? About 60 minutes, according to Mr Methane. This ugly geek in purple underpants and a green mask, with the talent of an Idaho potato, tells fart jokes and, uh, farts a lot. He's very good at it, too.

This is basically a stage show with a few bad skits thrown in. Mr Methane

farts into a microphone, farts on a birthday cake, blowing out the candles, and a couple of morons let him fart in their ears - what a cack! These people are so far beyond help it's probably cruel to laugh.
