## President's Report

The Association's AGM was held on 31 July 2024 which sadly saw the retirement of two long serving committee members in Dave Moysey and Jim Nash. Dave was a former Association President and will be remembered for the work he put into setting up and maintaining the new website. Jim was a long term Vice President, the Association's Public Officer and ran the regular Facebook quizzes. Both will be missed and leave with our sincere thanks for their contributions. You can see details of the new committee on the About page of the website. Thanks also to Don McVay who has agreed to serve as the new Public Officer.

BRIG John Keefe RFD remains our Patron & I thank John for his continued support and advice. The new website continues to receive compliments and I encourage everyone to enjoy the huge amount of history it contains.

I encourage everyone to keep your Association membership up to date and to encourage others to be involved. Your membership gives you:

- Access to the Association Facebook group
- Contact with old comrades
- Regimental news
- A way to help preserve Regimental history
- Invites to the annual reunion and other events
- The ability to preserve your old photos and memories on the website

Our ANZAC Day presence remains strong (fortunately unlike many other associations) and we continue to be joined by increasing numbers of serving members. I hope to see many of you again for the 2025 march. Remember- if you don't march, who will?

The Association was involved with the Regiment over past year by again running The Annual Soldier's Award, with the winner receiving a certificate for a free weekend at the Army Resort "Bulwarra", at Terrigal. We were also able to assist with proving an amount of artillery and Regimental memorabilia for an historical display predominately at Pymble Depot.

Finally, I would like to thank the Committee for its support and in particular, the input of JB as Association Secretary, without whom the Association would not run.

We now look forward to our 2024 Annual Reunion which promises to be a great night with Regimental news and updates from the Commanding Officer plus an address from another exciting guest speaker. I hope to see you there!

UBIQUE

Steve Flower  
President

## FROM THE CO's DESK

### *A retrospective of the last three years*

As I draw close to the end of my time as the Commanding Officer of the 9th Regiment RAA, it is worth pausing to consider not only the state of the Regiment but Army writ large as we continue to evolve and prepare to respond to the uncertain strategic environment in which we are now operating.

Implementation of the Defence Strategic Review which was released in April 2023 continues apace. Army is in the process of relocating or growing a number of critical capabilities to build a force capable of defending Australia's inner arc and the homeland in the event of conflict. Within the 1st (Australian) Division, the 3rd Brigade based in Townsville is evolving to become Army's only heavy Brigade. The RAA's new AS-9 Huntsman self-propelled howitzers will be concentrated within 4 Regiment to provide protected mobile fires capability to this Brigade. The 7th Brigade will focus on maintaining its motorised capability supported by 1 Regiment with its M777 howitzers, while the 1st Brigade will focus on developing an effective littoral manoeuvre capability supported by 8/12 Regiment. Joining the 1st (Australian) Division

in early 2025 will be the newly raised 10th Brigade of which I will speak more shortly.

The 10th Brigade was raised in Adelaide in early 2024 and was originally planned as a Fires Formation however it has evolved to include a number of other effectors, most notably 7 SIG REGIMENT (EW) and 1 INT BN. The 10th Brigade also commands 16 Regiment (National Advanced Surface to Air Missile System - NASAMS) and as of the 2nd December 2024, the 9th Regiment will leave the 2nd (Australian) Division to become part of the 10th Brigade. In 2025 the 10th Brigade will also command 14 Regiment which will take delivery of the first units of the M142 High Mobility Artillery Rocket System (HIMARS). Of note several members of the 9th Regiment have opted to undertake continuous full-time service commencing in 2025 and will transfer over to 14 Regiment, where they will be among the first ADF members to be trained in the new HIMARS capability. These systems (NASAMS and HIMARS) will provide the wider Army with a range of new capabilities and effectors making it a much more potent force.

The move of the 9th Regiment into 1st (Australian) Division in no way severs our ties with the 2nd (Australian) Division. Many of the Regiment's capabilities have been specifically tasked to support the 2nd (Australian) Division and its defence of the homeland mission. Exercise TALISMAN SABRE 2025 will be the first opportunity for the Regiment to practice how it will achieve this mission while under command of the 10th Brigade. Maintaining the linkages between the different Batteries of the Regiment and the 4th, 5th, 11th and 13th Brigades will remain as important as ever.

The 9th Regiment completed its transition away from the 81mm mortar capability which has now been transferred back to the infantry. As part of the transition process the RAA has finalised the new trade model for those former Artillery Light Gunners. Throughout 2024 several new Small Uncrewed Aerial Systems (SUAS) entered service or use with the Regiment including the RQ-20 PUMA; SKYLARK I-LEX; and EDGE-130B. The Regiment was also at the forefront of several trials conducted by Army to develop a counter-UAS capability culminating in a series of trials conducted at RAAF Base Curtin in the middle of the year. Perhaps more mundane but important nonetheless

was the fact that each Battery took delivery of additional AN/TPQ-49 Lightweight Multimode Radars (LMMR) as well as white and green fleet giving us the ability to self-deploy that has been lacking for a number of years.

## **7 Battery**

Once again 7 Battery has had a busy training year albeit one without the high tempo demands of an Exercise TALISMAN SABRE or AUSTRAL SHIELD.

In March 2024, 7 Battery conducted the Regiment's final 81mm mortar live-fire supporting the Artillery Forward Observer (AFO) Basic Course. The exercise which qualified 20 trainees was attended by members from across the Regiment. This three-day LFX which culminated in a BC's fire-plan supported by a section of SFMGs provided by 4/3 RNSWR. Moving forward 9 Regiment will conduct more of its joint fires training with the support of the School of Artillery whilst utilising the new flat screen trainers which are being installed across the Regiment.

Throughout 2024 there has been a focus on the delivery of a range of different training courses to continue to grow capability with the Battery. A significant focus of the year's training has been the delivery of UAS courses to qualify members of the Battery on the diverse range of systems currently in service with 9 Regiment. This has included delivery of RQ-12 WASP, RQ-20 PUMA, EDGE-130B and Defence Remote Pilot (DRePL) courses. Other courses conducted this year included training on the LMMR system and the delivery of soldier skills courses such as the Basic Combat Communicators Course (BCCC), Army Combatives Program (ACP) and Army First Aid and Tactical Combat Casualty Care (AFA/TCCC).

As we close out 2024 there will be a number of changes to the command appointments within 7 Battery. Major Jonathan Passlow concludes his sub-unit command at the end of 2024 and will proceed to Australian Command and Staff College Remote (ACSC-R) in 2025. Warrant Officer Class 2 Stephen Potter has been successful in his application to Commission and will promote to the rank of Captain at the end of 2024, taking on the role of Battery Captain in 2025. CAPT Isabel King and CAPT Hugh Lightbody have both ably filled

the role of Battery Captain in 2024. CAPT King has proceeded on maternity leave and CAPT Lightbody will post to SUR as an instructor in 2025. He will be joined at SUR by CAPT Michael Van Zuylen who joined 7 Battery earlier in 2024. In June 2024, LT Andrew Munchenberg joined 7 Battery upon Commissioning and will take over command of 28 Troop at the end of 2024. Finally, I would also mention SGT Jack Snowden who successfully applied to undertake the Reserve Officer Commissioning Course and who posted to SUR as an Officer Cadet in August 2024. We wish him well and hope he returns to the RAA upon Commissioning.

7 Battery has been fortunate to have CAPT Emily Simpson as its Instructor Gunnery (IG) in 2024 and she has been a valuable contributor to the delivery of training for both 7 Battery and 9 Regiment. The Battery has also been extremely fortunate to have Warrant Officer Class 2 Mitchell Hamer move into the role of Sergeant-Major Instructor Gunner (SMIG). I would like to thank them both for their hard work and enthusiasm throughout 2024.

Finally, on behalf of the soldiers and officers of 7 Battery, I would like to acknowledge the support of the 7 Field Regiment RAA Association to the Battery and thank the committee members for their ongoing work and support.

UBIQUE.

Philip Wong  
Lieutenant Colonel  
Commanding Officer

**Henry (Harry) TAYLOR**  
**9 July 2024      Aged 99**

Harry was a WW2 Veteran who served with 2/1 Australian Field Regiment, 65 Australian Transport Platoon and Moresby Fixed Defences in New Guinea.

After some time out, he joined 14 Field Regiment then 7 Field Regiment from 1960 to 1980.

Harry was awarded the Order of Australia (AM) in 1976 and was appointed Blacktown City Council Citizen of the Year in 2004 plus Senior Citizen of the Year in 2011 relating to all his volunteer involvement in swimming tuition, local Softball, Fun Runs etc.

Harry's greatest claim to fame was as the Troop Sergeant for the Black Gun and managing to be thrown off his horse during a Parade in Macquarie St, Sydney in 1974.

Harry was a very popular and knowledgeable Gun Sgt who trained many new Gunners and Young Officers joining the Regiment at Willoughby Depot.

**Brian McKinstry POWER**  
**7 Dec 2022      Aged 90**

Brian joined the CMF in September 1949 and served in 30 INF BN until leaving in June 1957. He later re-joined and entered Officer Cadet Training Unit in July 1966. Brian was posted to 7 FD Regt in March 1968, served in HQ 2 Training Group from November 1973 and was posted back to 7 FD Regt in 1976. Brian discharged as a Major in August 1975.

**Gordon Robert BLINKHORNE**  
**5 June 2022      Aged 79**

Gordon joined the CMF in 1964 and initially served with 2/14 Light Horse Regt in Queensland.

On moving to Sydney he transferred to 9 LAA Regt at Dee Why, but served as part of the RAEME detachment situated mainly at Haberfield. His service continued with the transition to 7 FD Regt RAA in 1975.

Gordon ended his service in 1992 as a SSGT.

## WE ALL KNOW THIS STUFF – IT’S NOT REALLY CONFUSING !!

*You see, all people in the Army are soldiers, all privates are soldiers, but not all soldiers are privates. Some are officers who are commissioned, but some are officers who are not commissioned. Obviously if every private was called private it would be confusing, so some privates are called trooper, driver, gunner, craftsman, sapper or signaller. Not all of them cook but we don't call them cooks, for that matter not all drivers are called drivers-some of them are privates or gunners. Gunners as I am sure you know are the blokes that fire guns, unless of course they are drivers or signallers in which case we call them gunners rather than drivers or signallers just to make it clearer. All gunners belong to the Artillery, except that in the Infantry we have gunners who are called privates because they fire a different sort of gun, for the same reason we call our drivers and signallers private as well.*

### ANZAC CAKE
